

PROSPECT FLOATING RATE AND ALTERNATIVE INCOME FUND, INC.
AUDIT COMMITTEE CHARTER

Purpose

The Audit Committee is appointed by the Board of Directors (the "Board") of Prospect Floating Rate and Alternative Income Fund, Inc. (the "Corporation"), pursuant to authority delegated to it by the Board, to monitor (1) the integrity of the financial statements of the Corporation, (2) the independent auditor's qualifications and independence, (3) the performance of the Corporation's internal audit function and independent auditors, and (4) the compliance by the Corporation with legal and regulatory requirements.

The Audit Committee shall prepare the report required by the Securities and Exchange Commission (the "Commission") to be included in the Corporation's annual proxy statement.

Committee Membership and Function

The Audit Committee of the Corporation shall at all times have at least three members and be composed solely of Independent Board Members. "Independent Board Members" are Corporation Directors who (i) are not "interested persons" (as defined in the Investment Company Act of 1940 (the "1940 Act")) of the Corporation, (ii) are "independent directors" (as defined in NASDAQ Marketplace Rule 4200(a)(15)), (iii) have not participated in the preparation of the financial statements of the Corporation or any current subsidiary of the Corporation at any time during the past three years, and (iv) meet the independence requirements of Section 10A(m)(3) of the Securities Exchange Act of 1934 (the "Exchange Act") and the rules and regulations of the Commission, including the requirement that they not accept directly or indirectly any consulting, advisory, or other compensation from the Corporation or any subsidiary thereof (other than Directors' fees received in his or her capacity as a member of the Audit Committee, Board of Directors or another committee of the Board of the Corporation or such subsidiary). The Board of Directors shall designate the members of the Audit Committee. The Board of Directors shall have the power at any time to change the membership of the Audit Committee, to fill all vacancies, and to designate alternate members to replace any absent or disqualified members, so long as the Audit Committee shall at all times have at least three members and be composed solely of Independent Board Members. The members of the Audit Committee shall select its Chairman.

As a matter of best practices, the Audit Committee will endeavor to have at least one of its members with the requisite qualifications to be designated by the Board of Directors as an "audit committee financial expert," as such term is defined by the Sarbanes-Oxley Act of 2002 and rules adopted thereunder from time to time ("Sarbanes-Oxley Act"). To that end, the Audit Committee shall consider at least annually whether one or more of its members qualifies to be designated by the Board as an "audit committee financial expert." The Audit Committee shall report the results of its deliberations to the Board of Directors for further action as appropriate, including, but not limited to, a determination by the Board of Directors that the Audit Committee membership includes or does not include one or more "audit committee financial experts" and any related disclosure to be made concerning this matter. If a vacancy exists due to the retirement or resignation of a member of the Audit Committee who has been designated as an "audit committee financial expert," the Board will, as a matter of best practices, endeavor to fill such vacancy with another "audit committee financial expert," as soon as reasonably practicable thereafter. The designation of a member of the Audit Committee as an "audit committee financial expert" will not increase the duties, obligations or liability of the designee as compared to the duties, obligations and liability imposed on the designee as a member of the Audit Committee and of the Board of Directors.

Committee Authority and Responsibilities

The function of the Audit Committee is oversight. Management¹ is primarily responsible for maintaining appropriate systems for accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. As such, it is not the duty or the responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures, to determine that the financial statements are complete and accurate and are in accordance with generally accepted accounting principles, or to set auditor independence standards. Each member of the Audit Committee shall be entitled to rely on (a) the integrity of those persons within and outside the Corporation and management from which it receives information; (b) the accuracy of the financial and other information provided to the Audit Committee absent actual knowledge to the contrary (which shall be promptly reported to the Board of Directors); and (c) statements made by the officers and employees of the Corporation, its investment adviser or other third parties as to any information technology, internal audit and other non-audit services provided by the independent accountants to the Corporation. In carrying out its responsibilities, the Audit Committee's policies and procedures shall be adapted, as appropriate, to best react to a changing environment.

The Audit Committee shall be given the resources and authority appropriate to discharge its responsibilities, including the authority to retain experts, independent counsel or consultants at the expense of the Corporation. The Audit Committee shall also be given the resources, as determined by the Audit Committee, for payment of (i) compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Corporation and (ii) ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

The Audit Committee shall review this Charter at least once annually and recommend any changes to this Charter that it deems appropriate to the full Board of Directors. The Audit Committee shall have such further responsibilities as are given to it from time to time by the Board of Directors. The Audit Committee shall consult, on an ongoing basis, with management, the independent accountants and counsel as to legal or regulatory developments affecting its responsibilities, as well as relevant tax, accounting and industry developments.
